Address: Villa Marina Yacht Harbour, Dock J
Town: Fajardo
ZIP code: 00738
Description: SPREAD EAGLE II is a 1997 SeaRunner Catamaran. She was custom designed and built especially for us, incorporating features that will make your day on the water an experience to remember.

SPREAD EAGLE II has a stairway that lowers at the front of the boat for easy access while at the island and reef. We also offer a fresh water deck shower for those that want to rinse off the salt.

We have both sun and shade decks and a real bathroom / changing room. Our twin outboard engines are the most quiet and environmentally

friendly available.

The boat is U.S. Coast Guard certified to carry 49 passengers and is the roomiest of all the catamarans operating in the area. Our seating is set up to accommodate large or small groups.

Our Snorkeling Equipment

Our masks are state-of-the-art professional quality silicone, not rubber or plastic. We use only soft rubber full-pocket fins for added comfort. And we are proud that we are the only boat to give every passenger a BRAND NEW PERSONAL SNORKEL to use at the reef and take home with them at the end of the day.

The Crew
Lucho - Operations Manager, idea man, advisor, computer guru, driver, chef, translator, local red-tape untangler, husband, father, Mr. Mom, dive master, First Aid and CPR instructor, connoisseur of fine wines and fine dining, dog breeder, likes foreign films, music and covering the phones nights and weekends.

lucho@snorkelpr.com
