Descripción: Sunset Charters is a division of Sunset Marine of Puerto Rico, Inc. Our Business is Fishing with Safety

Our boats are professionally maintained as we strive to keep a high standard of safety. Safety equipment are in excellent condition and properly maintained. In case of an emergency the USCG will assist our vessels in a prompt manner since they have the base within our departing harbor. The United States Coast Guard presence is active and strong every day of the year. Needless to say our crew and Captain are trained

professionals with all pertinent licenses on board.

Capt. JC Nieto

Captain Nieto is being fishing recreationally since 1995. As an enthusiast of the sport of fishing and to ensure a strong number of billfish in the future we catch and release 100% of these species. Other pelagic species such as Wahoo, Tuna, King Mackerel, and Shark could be boarded on a daily basis. Bottom fishing trips for snappers and groupers are available upon request.

For questions, pick up arrangements, or any special request please call the Captain directly at 787.422.8889 or send an email to sunsetmarinepr@yahoo.com or info@deepfishingpuertorico.com. We will answer within 24 hours guaranteed. We provide only premium quality food and beverages.
