Descripción: Experience one of Puerto Ricos natural wonders. Encounter nature close up as you paddle through the natural channel that leads you into Laguna Grande.

As the stars open up above you notice with each stroke of your paddle a swirling glow of light, like foot prints the pass behind in a liquid world. You begin to notice you have come across one of Mother Natures gifts, and like all who have kayaked before you, you will possess an experience that will last forever.

First run 6:30 PM
