Descripción: Escape the crowds of the
mainland and get ready to
get wet in this hidden
treasure that is just 40
minutes away from the
metro area. We'll explore,
trek and climb through
cascading clear waterfalls
and abundant
prismatically colored flora
and rocks found in the
San Salvador Rainforest,
located in the beautiful
mountains of Caguas.
You will be delighted
with this immaculately
clean, quiet and secluded
rainforest. Our
knowledgeable and
friendly tour guides will
enlighten us on the
ecology, history and

culture of this dramatic region that was once populated by Taino indians.

This exciting fullday experience includes 3 exhilarating ziplines installed with double cable for extra security, measuring an average of 400 ft. long, that cross stunning canyons, rivers and through the trees. Rappelling into an amazing 80 ft. long waterfall, belaying over rocks and staircasing up the river add to this trip's appeal. At the end of the adventure you will enjoy a delicious homeade puertorrican meal in a typical countryside setting.
