Descripción: The Ecotourspr Group

Our companies are a local Puerto Rican family owned, inbound, sustainable, educational and responsible tours operation, since 1992.

#### Encantos Ecotours

Encantos Ecotours has been organizing unique and personalized group and private excursions all over Puerto Rico for over 20 years. We can custom design and perform the largest variety of excursions all over Puerto Rico, for any type of professional, educational, corporate, friends, or family groups, and for any amount or group size.

We always emphasize on delivering quality services and the most personalized, diverse and professional experiences you can find in Puerto Rico.

### Sailing Dreams

Sailing Dreams is a project of love that began operations on January, 2012 as our answer to the high levels of anxiety people are experiencing lately all over the world. We love to share on a one on one basis a unique and first quality experience on our sailboat Poema de Amor Libertad (Poem of Love and Freedom). We share with our guests our passion for sailing and for the history of Old San Juan and the Historical Sites, while enjoying the best views of the city. We love to have a VIP pampering service onboard. We limit our cozy services to a maximum of 6 guests at once.

### Sea Rafting & Kayaking Adventures

Sea Rafting and Kayaking Adventures is our newest venture, but it is a revival of tours we used to do almost two decades ago, when Puerto Rico was

going through the early beginnings of the adventours part of the tourism industry. With this operation we focus on sea rafting tours (yes, like white water, but mostly on the ocean), as well as on kayaking adventures to non traditional unique places all over the Island. We have paddling adventures that are ready to be shared from families with kids, to adventurous friends looking for a shot of Caribbean sea salt and adrenaline...

#### Our Staff

Our tours are performed by the best team of highly educated and trained Puerto Rican professionals fr
