Descripción: About Us

The Velauno team has over 20 years of experience in the water sports industry. We are the largest stand up paddleboard retail, tour, and rental operator in the Caribbean. We also operate exclusively a series of Aquaglide brand inflatable water parks throughout the island. Our rental, tour and water park services are offered from our spectacular Condado Lagoon location located directly in front of the Condado Plaza Hilton hotel. We are fully endorsed by the Puerto Rico Tourism Company and members of the Puerto Rico Hotel and

Tourism association and Puerto Rico Convention Bureau. We offer stand up paddleboard and kayak tours and rentals daily as well as operate the inflatable water park on the weekends. Our normal operating hours are 9AM till Sunset but reservations are highly recommended.

Our Vision

We intend to make non-motorized water sports a mainstream activity for the global community • Participating in water sports quiets the mind, exercises the body, and connects the participants intimately with their environment • It bolsters self-confidence, improves self-reliance, and sensitizes the participant to the issues of preservation of our most precious natural resources: our beaches and our oceans •

Our Mission

We will make participation in water sports as easy and affordable as possible while sustaining the health of our business and environment • We will create opportunities for people to try, learn, enjoy,

and compete in water
sports • We will achieve
success by presenting real
value to our customers,
our suppliers and our
community, that way,
earn the respect of our
peers and ourselves
