Descripción: As a shining star, Hacienda 8A is born from a centennial and deep family tradition! Since the 1930's the Roig family professed a passion for horses, specially the Paso Fino horse. This family distinguished themselves for the quality of their horses, several of them being champions in their time. With the passage of time, the Roig family is united with the Ochoa family and the product of this unity is Hacienda 8A.

Today, two young and hard working siblings have decided to continue this tradition offering a beautiful place, very puertorrican and full of outdoor adventures and

activities. Their dream, to offer a place like no other! A place in which you and nature become one again. A place in which you can see and feel part of the beauty and peace that the country, away from the sounds of the metropolitan area, will delight you with! . A place where you can feel the sun, the land, flowers and the Caribbean blue sky...our shining star, Hacienda 8A will give you all this and much more! It is the perfect place for both tourists and internal tourists looking to enjoy a natural and satisfying experience. At Hacienda 8A we offer more than 300 acres of land in which you can go trail riding with our horses (or bring yours) through breathtaking valleys and mountains. You will see many different things and places, like El Yunque Rain Forrest or Vieques in your ride!

For the more enthusiastic rider we have a competition riding arena, a warm-up arena and two circular enclosed rings for intense training in which we can offer English riding lessons.

We also offer ample

facilities available for rent
in which you can
celebrate birthdays,
family days and corporate
activities! These, include
cafeteria/restaurant,
restrooms and a beautiful
panoramic view of the
riding arena with
mountains in the back.

Come visit us! Your visit
will probably end with a
rainbow in sight! At
Hacienda 8A, we will be
waiting for you!
